Scholarships

Scholarship applications are now open for most universities.

Tertiary Admission Centre applications

You can apply for access and equity scholarships via the Tertiary Admission Centres for states such as Victoria and NSW/ACT.

You don't know what specific scholarships you're applying for and you may need to provide evidence for special consideration factors such as financial disadvantage, disability, medical condition, Indigenous Australian, difficult circumstances etc.

Closing date for VTAC: 8 October,
<https://bit.ly/3rQniel>

Closing date for UAC: 9 December,
<https://bit.ly/3bAjxzT>

Direct applications

Assess your options for each university by Googling the name of the institute + the term 'scholarship'.

Use the filters to narrow the search field. You will need to read through each scholarship to see if you're eligible.

If you find scholarships you can apply for, make a note of the application method, closing date, and any organise any evidence you need to provide.

Note – if a scholarship requires you to apply for it via the Tertiary Admission Centre then you don't have to apply for it directly to the institute.
