To help families manage fees more easily, the College has introduced a new payment portal that streamlines payments and arrangements while providing enhanced transaction security.

The College has partnered with Edstart to provide additional payment flexibility. Edstart offers the following options to families:

- Edstart Plus – options to pay weekly, fortnightly, or other schedule that works best for families. Edstart Plus does not require credit checks or come at an additional cost to families.
- Edstart Extend – similar to Edstart Plus, however it allows families to spread school fee repayments up to 5 years after your children finish school. There are fees and interest associated with Edstart Extend, however this is lower than a loan or credit card fees.

Those seeking additional flexibility are advised to set up an Edstart Plus or Edstart Extend account at www.edstart.com.au/salesian.

Students absent from the College during the school year will not be credited or refunded fees due/paid for the year.

The College Office is open during holidays and all accounts must be settled by the end of the school year.
